Citrus Connection

How to Ride

The schedule shows the departure time at several major stops along the route. To find out what time the bus will arrive at your location, find the nearest major stop listed in the schedule, and estimate the time the bus should reach your location.

Citrus Connection Bus Operators are alert to passengers waiting for the bus along the route. You may signal to the Operator by raising your arm and waving. When you wish to get off the bus, signal the Operator by pulling on the cord that runs above the side windows.

Helpful Tips

You may help to provide better service if you:

- Arrive at your bus stop a minute or two ahead of the time the bus is due. Our Operators make every effort to operate on schedule, but errors can occur. Watches and clocks seldom agree, and an error of a minute or two may result in a missed bus.
- Wait for buses only at the bus stop signs. Waiting for buses at bus stops will allow buses to serve you more safely. Also, we will do a better job of staying on time… which helps everyone. As an added help to the Bus Operators, please flag the bus when it is approaching.
- Have the exact change or pass ready when boarding.
- Help keep our buses clean and comfortable– NO smoking, eating or drinking is allowed on Citrus Connection buses.

Holidays

No Citrus Connection service is offered on Sundays or the following holidays: New Year's Day, Memorial Day, Independence Day, Labor Day, Thanksgiving Day and Christmas Day.
